

Original Medicare vs. Medicare Advantage

Choosing between Original Medicare or a Medicare Advantage plan can be confusing for many. Both options provide different opportunities to enroll, coverage, provider choices, billing processes, prescription coverage and extras. It's important to understand how each program operates so you can make an informed decision.

-	Original Medicare	Medicare Advantage
Enrollment	Initial Enrollment Period: 7 months around 65th birthday General Enrollment Period: January 1st to March 31st Special Enrollment Period: Starts when employer/union coverage ends	Initial Enrollment Period: 7 months around 65th birthday Annual Enrollment Period: October 15th to December 7th Open Enrollment Period: January 1st to March 31st Special Enrollment Periods: Situations vary i.e. loss of group coverage, change in residence.
